Price Changes	If the price of a product has changed, the new price will be charged to the licensee based on the date of delivery, not the date of order.
Taxes, State	Specific Taxes - Specific taxes on liquor are collected by the Commission at the time of sale to the retail licensee. All specific taxes are calculated on the marked up cost. These taxes will be shown on the licensee's invoice. The specific taxes include: 4% - distributed to the School Aid Fund 4% - distributed to the General Fund 4% - distributed to the Convention Facility Development Fund
ADA Product Changes	Periodically, distribution rights for spirit brands change from one ADA to another due to contractual changes with the spirit suppliers. The Commission has established strict transition guidelines for ADAs to follow when product lines change so as to not interrupt the flow of spirit products. ADAs who no longer carry a particular spirit brand are required to advise retailers attempting to place an order with them that the brand is available through another ADA. Please notify the Michigan Liquor Control Commission if ADAs are not notifying you that the brand is available from another ADA.
